Dear customers,

Since the 15th May 2015 those who are renting an apartment (that is not a usual residence) have to inform the Turism Office (Consellería de Turismo) about this situation.

This information has to be rendered before the end of the same year when the activity took place.

The new obligation is standardise by the Spanish Decree 75/2015 of 15th May regulating the hotel establishments of the Valencian Community (Decreto 75/2015 del 15 de mayo, del Consell Regulador de los Establecimientos Hoteleros de la Comunidad Valenciana).

We are at your entire disposal to help you through this process, by doing your red tape or answering any questions you might have.
